

# Introducing FJA's Parent Teacher Group

---

## WHY?

Our teachers need our help!

We would like to actively support our teachers by offering our talents, services, and support.

We would like to encourage all FJA parents to help create the best education environment possible for our children.

## HOW?

Please consider attending our brief meeting on Wednesday, April 8th, to find out how you can help your classroom with **Teacher Appreciation week, May 4-8**, and/or **Grandparents Day, May 22**.

## FIRST MEETING!

Please join us  
Wednesday, **April 8th**  
**at 3:15 pm** in Jen  
Conway's classroom,  
Cedar campus, for our  
first meeting.

We will be discussing  
Teacher Appreciation  
Week (May 3rd-9th) and  
Grandparents Day (May  
22nd).

We  
appreciate  
all the help  
we can get and  
your ideas!
